 MON 4 DEC.

FOR ATTENTION – SAM HALIM

Sam, the following advice is provided in response to your contact with me today :

Darren Park will have an interim report, based on his investigation thus far, to Mark Sherlock and myself next Monday.

With respect to the meeting considering Peter's confirmation as Manager and his contract next Monday I would like to make the following very clear to those who attend. Firstly, that you as President and Peter as Manager have the full support of State Branch. Peter has a strong reputation for competence and integrity around the Victorian RSL network and enjoys the confidence of myself, Mark Sherlock and Mark Johnson. A decision on Monday not to confirm Peter's appointment as Manager would cause us significant concern. For some months now ANZAC House has taken a "hands off" approach to the management of the Healesville Sub Branch's affairs. We would have to revisit our position on this if Peter were no longer part of the Sub Branch's future operations after Monday.

Regards,

Mike Annett  
 CEO
